Subject: Local Plan Public Examination - Update re Yaxham matters

Dear Charlotte,

Following on from the last public sessions the Parish Council wished to advise the Local Plan Examiner that:
- as regards planing application 3PL/2016/1499/O Land north of Norwich Road, Yaxham for the erection of 25 dwellings which was refused by Breckland, but allowed on Appeal. We had indicated that we were considering an action for judicial review. However, we were advised that whilst we had good points they did not amount to a sufficiently strong case that would stand a good chance of success. The Council therefore reluctantly decided not to pursue judicial review.

The Council would be very grateful if you could convey this point to the Examiner please.

Best wishes,

Ian
