Dear Charlotte,

I hope you are well.

We have prepared a pre-examination hearing Informative Statement that expands upon our representation statement with reference RSA.9 and provides some factual evidence based information relevant to the information provided by Breckland Council within Topic Paper EX.79.

Our original intention was to reference and provide this information at the hearing session on the 18<sup>th</sup> September but felt that the Inspector, Breckland District Council and other interested parties may appreciate the opportunity to consider and digest the information prior to the hearing session. It is provided solely to aid the Inspectors consideration of the additional work that has been submitted under EX.79.

Therefore, it would be appreciated if you could ask the Inspector whether he would accept the submission of the attached statement and appendix or whether he would prefer for this to be discussed and potentially submitted at the hearing session.

Please do not hesitate to contact me should you have any further questions relating to the above or attached.

Best regards
