Dear Charlotte,
Looking again I realise I was mistaken to apply for matter 7. I thought from its title of Other Housing it might cover a broader range, but I now see from the Inspector's questions that's not the case, so I'm happy to withdraw from that session.

Kind regards,
Chris

Dear Mr Blow

I note you have asked to attend Matter 7 Specialist Housing, however you do not appear to have made any representations on this subject either at submission stage or subsequently under the Inspector's Additional Questions.

Therefore please could you clarify in writing why you wish to attend this session, to enable the Inspector to decide if you should be allowed a speak on this matter?

Regards

Charlotte Brennan
