Breckland District Council

Local Code of Corporate Governance

Local Code of Corporate Governance

Introduction

Corporate Governance is a term used to describe the way that organisations direct and control what they do. For local authorities, it includes the systems, policies and processes, as well as the culture and values that underpin a Council's arrangements for effective:

- Leadership
- Management
- Performance
- Delivery of positive customer outcomes
- Community engagement
- Stewardship of public money

Good Corporate Governance

Breckland Council is committed to achieving good corporate governance and this Local Code describes how the Council intends to achieve this in an open and explicit way.

In developing this code, the Council has considered best practice and guidance, particularly the CIPFA/SOLACE framework "Delivering Good Governance in Local Government".

The code is based on the following six core principles:

- 1. Creating and implementing a vision** – good corporate governance means focusing on the purpose of the Council and on outcomes for the community and creating and implementing a vision for the local area.
- 2. Roles and responsibilities of members and officers** – good corporate governance means members and officers working together to achieve a common purpose with clearly defined functions and roles.
- 3. Standards of conduct and behaviour** – good corporate governance means promoting values for the Council and by upholding high standards of conduct and behaviour.
- 4. Decision making, scrutiny and risk management** – good governance means taking informed and transparent decisions that are effectively scrutinised and managing risk.
- 5. Developing capacity and capability of members and officers** – good governance means developing the capacity and capability of members and officers to be effective.
- 6. Engaging with local people and stakeholders** – good governance means engaging with local people and other stakeholders to ensure robust public accountability.

The following details how the Council meets these core principles.

Core Principle 1 - Focusing on the purpose of the authority and on outcomes for the community and creating and implementing a vision for the local area

Supporting Principle	Description of Governance Mechanisms
<p>1) Exercising strategic leadership by developing and clearly communicating the authority's purpose and vision and its intended outcome for citizens and service users</p>	<ul style="list-style-type: none"> ▪ The Council has developed and promoted its purpose and vision in the Corporate Plan 2015-2019. This plan sets out the Council's corporate values and behaviours and identifies the four priority areas. ▪ The Council has developed and maintains proper financial management arrangements. This includes approving a balanced budget and publishing an annual Statement of Accounts which give electors, local taxpayers, Members of the Council, employees and other interested parties clear information about the Council's finances. ▪ Corporate Performance is reported to Cabinet on a quarterly basis and also via the Overview and Scrutiny Commission. The report consists of the Council's key indicators and projects. Monitoring the performance of these indicators and projects helps the Council to ensure that priorities set in the Corporate Plan are achieved and that areas of under performance are addressed. Financial Performance is also reported on a quarterly basis to Cabinet.
<p>2) Ensuring that users receive a high quality of service whether directly, or in partnership, or by commissioning</p>	<ul style="list-style-type: none"> ▪ The Budget and Medium Term Plan set out the Council's long term budget planning. It outlines what the Council plans to deliver for residents and includes issues such as our plans for setting the levels of Council Tax and how we plan to manage financial risks. The Council also has a Capital Strategy which explains how the Council plans to manage our capital assets within the district to make sure our capital spending plans are well managed and ensure that local needs can be met.
<p>3) Ensuring that the authority makes best use of resources and that tax payers and service users receive excellent value for money</p>	<ul style="list-style-type: none"> ▪ The Council has an arrangement with South Holland District Council which shares a management structure and some services. Both authorities continue to operate independently, serving the needs of their own communities. There is Memorandum of Agreement in place which sets out the governance arrangements.

Core Principle 2 – Members and officer working together to achieve a common purpose with clearly defined functions and roles

Supporting Principle	Description of Governance Mechanisms
