1 Introduction

1.1 This Parish Schedule compliments Breckland Councils Open Space Assessment and lists all open space by Parish. Each Parish that has identified open space has an accompanying map showing the locations of these open spaces. The key for these maps is shown in Figure 1.1 'Key to Maps'. The Parish Schedule also provides key statistics on outdoor playing space by Parish.

1.2 The Parish Schedule in combination with the Open Space Assessment aims to provide a comprehensive framework within which improvements to the Outdoor Playing Space provision can be guided.

Additional Considerations

- 3PL/2010/1041/F - land north of Honeysuckle Way – approximately 0.293ha Open Space is proposed on site.
- 3PL/2012/0958/H - approximately 2.34 hectares of public open space is being provided on site comprising an open space corridor, drainage attenuation areas, a large equipped play area and a junior football pitch. Additionally, 1.03 hectares for new allotments. This will provide 39 new allotments based on standard allotment sizes.
- 3PL/2012/1259/F & 3PL/2014/0978/F – New Road & Blackthorn road – approximately 1.18 ha of open space hectares of open space – to include 110m2 LAP, 370M2 LEAP and teenager informal kick about area.
- 3PL/2010/0033/F –Slough Lane - a small area of amenity Green Space is being provided.
- 3PL/2011/0489/O – Hamilton Acorn Factory - approximately 0.38ha of Open Space is being provided on site.

3.1 Some of the above sites are under construction but for the purposes of this study cannot be captured through mapping due to prematurity of the base map software. However, it is estimated that the total open space provision would reduce the total overall play space from -12.25ha me to -8.12ha.
