1 Introduction

1.1 This Parish Schedule compliments Breckland Councils Open Space Assessment and lists all open space by Parish. Each Parish that has identified open space has an accompanying map showing the locations of these open spaces. The key for these maps is shown in Figure 1.1 'Key to Maps'. The Parish Schedule also provides key statistics on outdoor playing space by Parish.

1.2 The Parish Schedule in combination with the Open Space Assessment aims to provide a comprehensive framework within which improvements to the Outdoor Playing Space provision can be guided.
