## 1 Introduction

**1.1** This Parish Schedule compliments Breckland Councils Open Space Assessment and lists all open space by Parish. Each Parish that has identified open space has an accompanying map showing the locations of these open spaces. The key for these maps is shown in Figure 1.1 'Key to Maps'. The Parish Schedule also provides key statistics on outdoor playing space by Parish.

**1.2** The Parish Schedule in combination with the Open Space Assessment aims to provide a comprehensive framework within which improvements to the Outdoor Playing Space provision can be guided.

### Additional considerations

**100.1** Planning permission has been granted for 5000 new dwellings in Thetford (3PL/2011/0805/O). The outline application proposes approximately 19.2 ha of playing fields, 5.37 ha of allotments and 28 ha of open space.

**100.2** Application 3PL/2011/0805/O has confirmed that Gallows Hill Scheduled Monument has been identified for open space provision in accordance with Policy TH22 of the Thetford Area Action plan. Given its location, it is likely that the site will come forward in the later phases of development.

### Additional Considerations

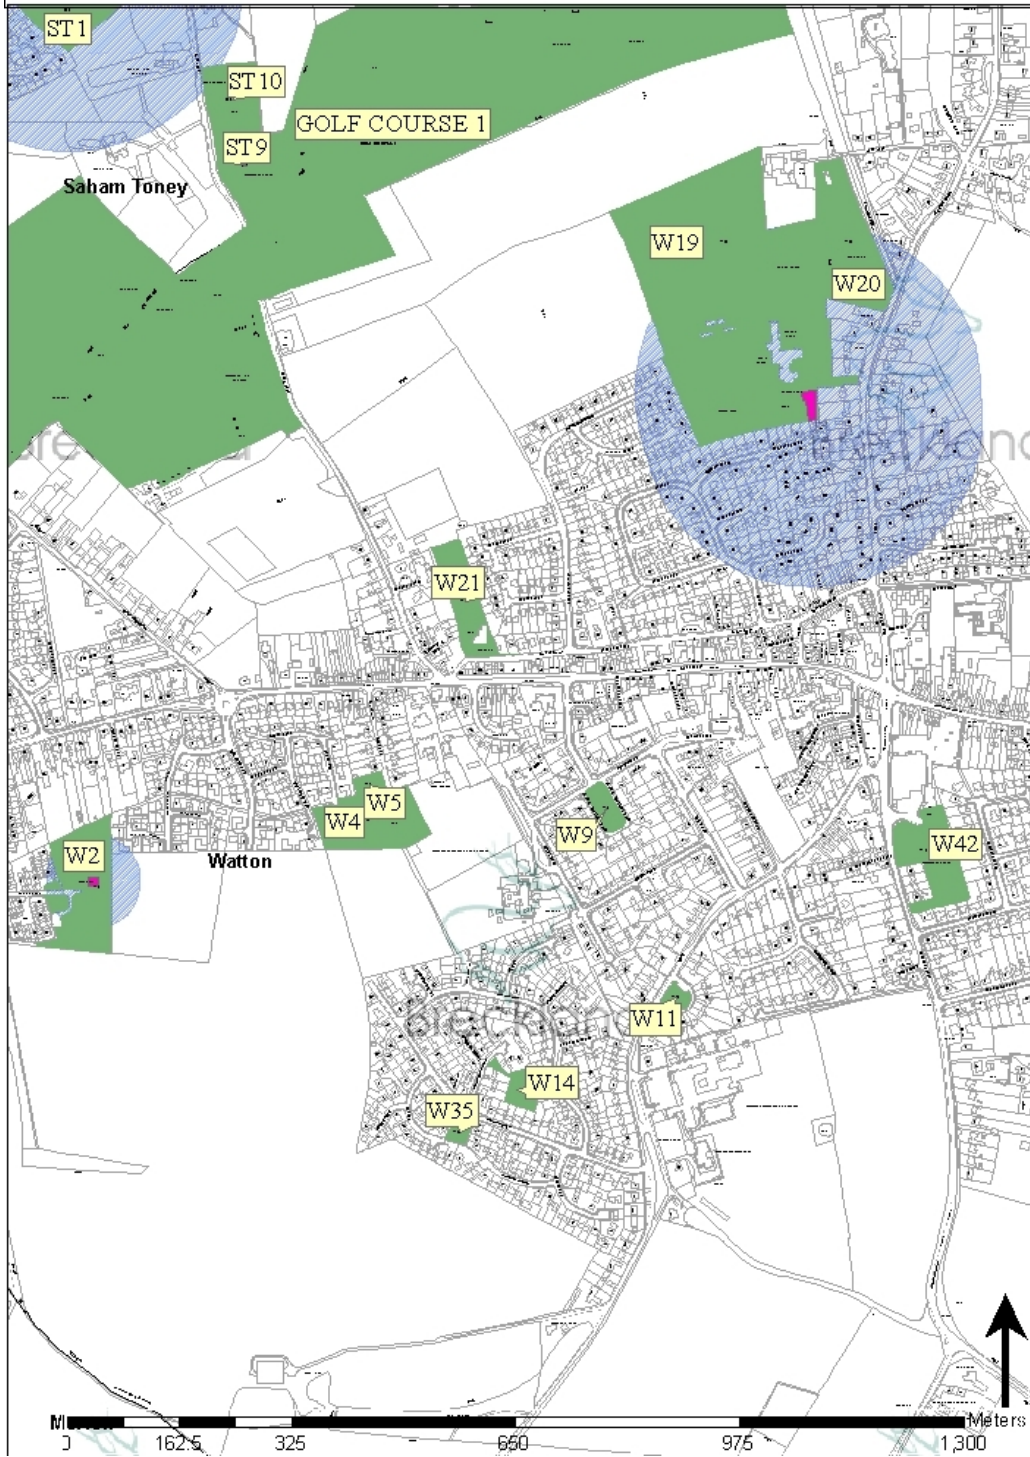

Planning permission has been granted for 110 dwellings along Thetford Road (3PL/2013/0510/F). The application proposes 0.66 ha of public open space on site for outdoor sports/children's play.

Planning permission has been granted for 154 dwellings on the former RAF radar site along Norwich Road (3PL/2007/0262/O & 3PL/2011/0088/D). Small areas of open space will be provided on site.

Land south of Norwich Road (former RAF officer mess) was allocated in the Sites Specifics Policies and Proposals DPD for approximately 72 dwellings approximately 5 ha of open space for outdoor sports, children's play and amenity provision.

## **Additional Considerations**

**106.2** Planning permission has been granted for the development of 59 dwellings, including allotments, community woodland and open space (3PL/2011/1102/F & 3PL/2013/0258/0). The approved Phase 1 development and the Phase 2 proposals, will in combination provide for the delivery of new allotments for use by the local community, in addition to an area of woodland with a woodland walk; as well as an area of local play space which will be located between plots 26 and 27 (of Phase 1). The open space and green infrastructure to be provided in association with the Phase 1 and Phase 2 developments will total an area of 1.66 hectares.
