

Mattishall Neighbourhood Plan Review

Volunteers

**Your chance to get involved and help shape the future of
our village.**

**The Neighbourhood Plan is used by the Parish Council and Breckland Council
to guide development in the village particularly when considering planning
applications.**

Our Neighbourhood Plan is now five years old and needs to be updated.

**All Mattishall residents and businesses will be fully consulted as we progress
the review, but we now need to establish a Steering Group to manage the
process. The Steering Group will be made up of three Parish Councillors and
three or four Mattishall residents who could give a few hours of time each
week. Particularly we would like a volunteer administrator (a key role),
alongside others who could give occasional advice and support.**

**This is an exciting opportunity to help influence how Mattishall develops in the
future. We welcome expressions of interest from anyone who'd like to be
involved or to find out more about the Neighbourhood Plan.**
