

# MATTISHALL NEIGHBOURHOOD PLAN QUESTIONNAIRE

our village, our future

## Review of the Mattishall Neighbourhood Plan

Our Review of the Mattishall Neighbourhood Plan is now progressing at pace, we have appointed a steering group, planning consultants and have secured government funding. Unless we review the existing Plan it will be considered to be out of date and our village's views could be disregarded.

### ACHIEVEMENTS

The current plan proposed several aspirational projects:

- A children's play area
- An adult's exercise area
- Develop a community woodland
- Provide additional allotments

The play area and adult exercise area have now been built. New allotments, an orchard and a community woodland will shortly be available adjacent to the Denbury Homes site. **Overall, the objectives that you set in 2017 have been achieved.**

### WE NOW NEED TO KNOW FROM YOU HOW YOU WANT YOUR VILLAGE TO EVOLVE

An important part of the review is to ask you our residents, local businesses and community groups for your initial thoughts on the future development of our village.

- How could our village be improved, what works well and not so well?
- What enhanced services would you like to see and what additional facilities would you like to see provided?
- How do you feel about more residential development?
- How important is the design of new buildings and how they fit within the village's character?
- Do you have concerns about traffic?
- How should our landscape and wildlife be protected?

**THIS IS A UNIQUE OPPORTUNITY FOR YOU TO INFLUENCE THE  
FUTURE OF YOUR VILLAGE, PLEASE GET INVOLVED AND HAVE  
YOUR SAY.....WE WILL LISTEN**
