

# Mattishall Neighbourhood Plan PUBLIC CONSULTATION

The formal public consultation on the draft Mattishall Neighbourhood Plan is now well underway and will run until **Monday 8th January 2024**.

## What is the Neighbourhood Plan?

This is a community-led document to guide future development within the parish up to 2036. The plan must be used by Breckland District Council when making decisions on planning applications.

## Why is it being reviewed?
