FAO Mr Neil Osborn

With reference to your letter received 29th May 2018, I have now received the following response from the Council, please see below.

Regards

Charlotte Brennan

Subject: RE: Breckland Examination - Matter 10 - Watton

For the attention of the Inspector.

The question raised by Mr Osborn was in relation to the pipeline supply figure in Watton and whether or not this included any of this land. Work on the Topic Paper has not been started, however it may not provide the level of detail on extant planning permissions as Mr Osborn has requested, therefore the Council would like to provide the following response:

The existing pipeline supply as published within the Employment Growth Study Update 2017 is comprised of the following applications:

3PL/2017/1342/F
3PL/2010/1089/F
3PL/2012/0109/F
3PL/2016/0264/F
3PL/2016/0573/F

These applications make up the pipeline supply figure of 1.9 hectares in Watton. To see the location plans of these sites please use the Breckland planning search page (<https://www.breckland.gov.uk/article/2933/Search-Planning-Applications>).

Kind regards,

James

Dear Jemma

Please see letter received from Mr Osborn in respect of Matter 10, please could you confirm if this forms part of the work you are preparing on the GEAs?

Regards

Charlotte
